

How to get to the Justin Hall Parking Lot

Guest parking passes

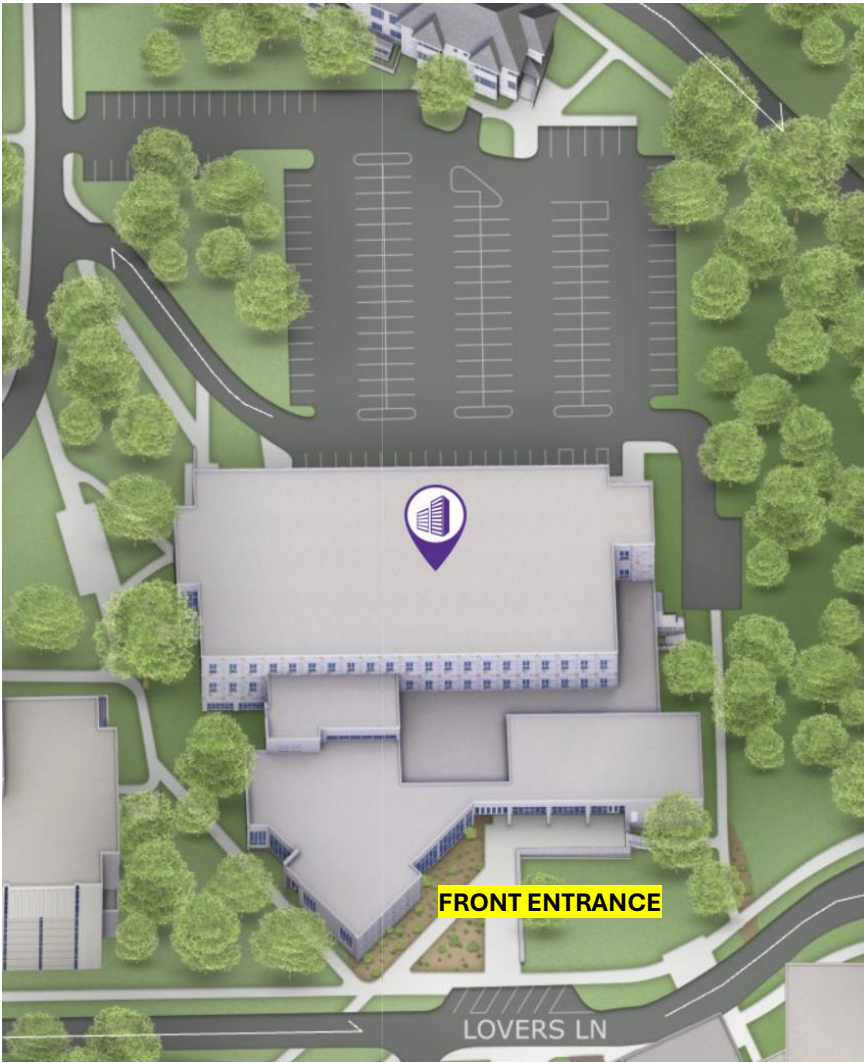

The guest pass is \$6 and allows you to park just about anywhere on campus. This parking pass is not for the parking garage. If you wish to park in the garage, you will have to pay via the Honk mobile app. To acquire a parking pass:

- Visit https://ksu.t2hosted.com/cmn/auth_ext.aspx or follow instructions here <https://www.k-state.edu/parking/parking/visitor.html>

Driving to the Justin Hall parking lot

If you set the GPS to Justin Hall, it will attempt to take you to the front entrance. But it is a one way with no access to the parking lot

- The best route is via N Manhattan Ave.
- Turn west on Campus Creek Rd. (Bertrand Street is to the east).
- There will a roundabout; take the 3rd exit to enter the Justin Hall parking lot

If that parking lot is full, there are some other options close to Justin below. As always, just be aware of handicapped stalls, reserved, or NO parking signs.

- The circles with solid lines represent the larger lots with more availability.
- The circles with dotted lines represent the areas with lower availability.
